Who are Champions of The Haven?

Champions of The Haven are local businesses donating much needed funds to support our shelter on an ongoing basis.

Why Should I Join?

Your business will be a part of an empowering movement within the local community to help put an end to domestic violence. For your extremely generous and selfless support, we will provide a certificate of appreciation; acknowledgement on social media and your business logo on our website.

How Does it Work?

The annual running cost of The Haven - Nepean Women's Shelter, is \$ 500,000. Champions of The Haven enable businesses to commit to smaller contributions over a three year period. This directly goes to the maintenance of our service in order to protect the most vulnerable within our community.

**\$1,000/YEAR
over the next
3 years.**
